Experiment -1

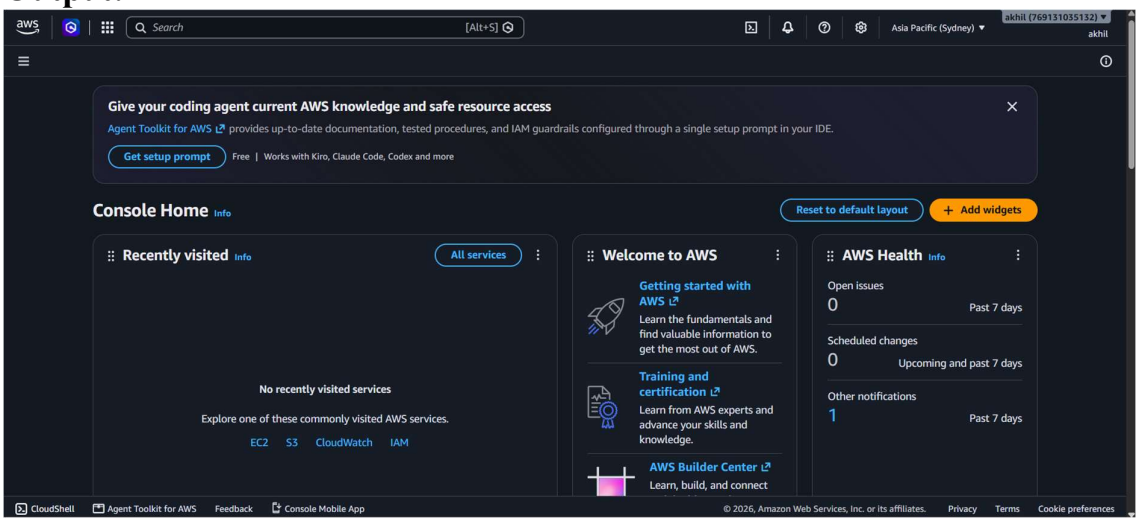

AIM: To create an AWS free tier account to provision the resources.

Description: Created AWS account

Steps:

1. Open the official AWS website: AWS Free Tier.
2. Click on Create Free Account.
3. Enter your email address and AWS account name.
4. Verify your email address using the OTP sent by AWS.
5. Create a strong password for your AWS account.
6. Select the Free Account Plan if eligible.
7. Enter your personal details, including name, address, and phone number.
8. Provide the required payment information for verification, if requested.
9. Complete phone number verification using the OTP.
10. Select the Basic Support Plan.
11. Review the details and click Complete Sign Up.
12. Wait for AWS to activate your account.
13. Once activated, open the AWS Management Console.
14. Sign in using your registered email address and password.
15. The AWS account is now ready to provision and manage cloud resources.
